

The following chart sets out by category the personal data collected (“**Category**”), the purposes for which the information is collected (“**A. Purposes**”), the categories of third parties to whom the information may be disclosed for a business purpose (“**B. Disclosed To**”), and the categories of third parties to whom the information may be sold for monetary value or other valuable consideration or shared for cross context behavioral advertising/targeted advertising (“**C. Sold/Shared To**”).

Please also see the “**Additional Details About Our Data Practices**” section in our privacy policy (<https://coinflip.tech/terms/privacy-policy>) for additional information on certain types of personal data collection and use.

Category of Data	A. Purpose for Collection;
	B. Categories of Third Parties the Data is Disclosed To
	C. Third Parties to whom the Data is Sold/Shared for Targeted Advertising
<p>Contact Information</p> <p>This may include your first and last name, phone number, email address, username, and mailing address.</p>	<p>A. Purposes for Collection:</p> <p>(1) Provide you the Services (to process transactions that you have authorized us to make, including to fulfill and recover your orders such as to process your financial information and payment methods to complete your transactions; to facilitate your activities with respect to our Services and to allow you to participate in the features of the Services we offer, including to register your account; to verify and authenticate your identity, to help us ensure that the individuals who use the Services are who they claim to be; help you locate a kiosk; to contact you regarding administrative issues, such as questions about your specific request, or otherwise respond to your comments, questions, feedback or requests, including transaction-related communications, such as through email, text message, or push notifications to our device and in response to your contacts on third party websites; provide customer service; enable you to comment on our blogs; facilitate your participation in sweepstakes/contests); (2) Personalization (to customize and optimize the Services for you, including to personalize your experience and tailor content we display to you, such as advertising, recommendations, promotions, and offers we display to you, both on the Services and elsewhere online; to identify your preferences); (3) Advertising Activities and Marketing Messages (to send you offers, promotions, invitations, from us, our advertisers, or other third parties, including special offers and messages about services you have shown interest in, online or offline; to send you news, bulletins, marketing materials, and similar information; monitor and control ad delivery, performance, and frequency; to create advertising models through lookalike modelling or other research methodologies); (4) Administrative (recognize you across our Services and your devices; to deliver notices regarding your account, the services, content, features, or products you use or request, including to provide you with information concerning changes to the Services which may affect your account and/or your use of the Services – or in our discretion, changes to our policies); (5) Internal Business Purposes (to help us operate and</p>

improve the Services; to track and analyze the effectiveness of our marketing efforts, including to traffic, usage, trends, and navigation patterns relating to your activities; detect and troubleshoot problems; conduct user surveys, questionnaires, and market research; conduct sales auditing); **(6) Security** (to protect the integrity of the Services; to prevent, detect, mitigate, investigate, and protect against misuse of our systems, fraud, crime, security breaches, and potentially prohibited or illegal activities, including, for example, activities prohibited by the Anti-Money Laundering Act, and to protect ourselves and you from people violating our policies, or otherwise to protect our or third-party rights or interests, which may include sharing information with other companies, lawyers, courts, or other government entities; to conduct identification and background checks; to protect health and safety of our users or the general public); **(7) Legal** (to comply with the law; to resolve disputes; enforce our agreements and policies, including this Privacy Policy and our Terms of Service; comply with contractual obligations; cooperate with government or other legal inquiries, including investigation on public safety matters and to respond to subpoenas, court orders, or legal process; fulfill regulatory reporting obligations; to establish or exercise our legal rights or defend against legal claims and otherwise protect our or others' rights/assets; to ascertain and verify your residency status in connection with regulatory obligations); **(8) Business Transitions** (in connection with a merger, acquisition, consolidation, bankruptcy, or other corporate transition, affecting all or part of our assets, including during due diligence); **(9) Other Purposes as Disclosed** at the time of collection or with your consent.

B. Categories of Third Parties the Data Is Disclosed to:

(1) Third Party Advertising and Analytics Partners (such as analytics companies, third party advertising companies, and marketing partners); **(2) Technology Systems Service Providers** (such as webhosts, database hosts, cloud computing providers, software-as-a-service providers, and technology maintenance and repair vendors); **(3) Social Media and Similar Third Party Platforms;** **(4) Order Fulfillment Vendors** (such as payment processors, kiosk support vendors, record keeping, trading platforms, transfer agents, exchanges, trading platforms, financial institutions); **(5) Government Agencies and Law Enforcement/Where Required by Law** (including third parties in connection with a court or other legal proceedings); **(6) Parent and Affiliated Companies;** **(7) Communication Services Providers** (such as email delivery vendors, chat agents, and customer service vendors); **(8) Sweepstakes/Contest Partners** (such as administrators, other prize providers, and prize fulfillment vendors); **(9) Security Vendors** (including fraud detection vendors; identification and background check vendors); **(10) third parties in the court of a business transition;** **(11) third parties to**

	<p>whom you agree or direct us to share your data; (12) other service providers who solely use your data to provide services to us or to you.</p>
	<p>C. Categories of Third Parties to Whom the Data is Sold/Shared for Targeted Advertising:</p> <p>(1) Third Party Advertising and Analytics Partners; (2) Social Media Platforms</p>

Payment/Financial Information

<p>Payment/Financial Information</p> <p>This may include your debit/credit card number, billing address, or other payment card data, including the payment source (i.e., payment types connected to Olliv). This may also include your wallet address, tokens in wallet, risk level per wallet, and banking data such as routing and account number.</p>	<p>A. Purposes for Collection:</p> <p>(1) Provide you the Services (to process transactions that you have authorized us to make, including to fulfill and recover your orders such as to process your financial information and payment methods to complete your transactions; to facilitate your activities with respect to our Services and to allow you to participate in the features of the Services we offer; to verify and authenticate your identity; provide customer service); (2) Security (to protect the integrity of the Services; to prevent, detect, mitigate, investigate, and protect against misuse of our systems, fraud, crime, security breaches, and potentially prohibited or illegal activities, including, for example, activities prohibited by the Anti-Money Laundering Act, and to protect ourselves and you from people violating our policies, or otherwise to protect our or third-party rights or interests, which may include sharing information with other companies, lawyers, courts, or other government entities; to conduct identification and background checks; to protect health and safety of our users or the general public); (3) Administrative (to recognize you across the Services and across devices); (4) Advertising Activities and Marketing Messages (to create advertising models through lookalike modelling or other research methodologies); (5) Personalization (to customize and optimize the Services for you, including to personalize your experience and tailor content we display to you, such as advertising, recommendations, promotions, messages and offers we display to you, both on the Services and elsewhere online; to identify your preferences); (6) Internal Business Purposes (to help us operate and improve the Services; to track and analyze the effectiveness of our marketing efforts, including to traffic, usage, trends, and navigation patterns relating to your activities; detect and troubleshoot problems; conduct user surveys, questionnaires, and market research; conduct sales auditing); (7) Legal (to comply with the law; to resolve disputes; enforce our agreements and policies, including this Privacy Policy and our Terms of Service; comply with contractual obligations; cooperate with government or other legal inquiries, including investigation on public safety matters and to respond to subpoenas, court orders, or legal process; fulfill regulatory reporting obligations; to establish or exercise our legal rights or defend against legal</p>
---	---

	<p>claims and otherwise protect our or others’ rights/assets; to ascertain and verify your residency status in connection with regulatory obligations); (8) Business Transitions (in connection with a merger, acquisition, consolidation, bankruptcy, or other corporate transition, affecting all or part of our assets, including during due diligence) (9) Other Purposes as Disclosed at the time of collection or with your consent.</p> <p>B. Categories of Third Parties the Data Is Disclosed to:</p> <p>(1) Order Fulfillment Vendors (such as payment processors, kiosk support vendors, trading platforms, transfer agents, exchanges, trading platforms, financial institutions); (2) Technology Systems Service Providers (such as webhosts, database hosts, cloud computing providers, software-as-a-service providers, and technology maintenance and repair vendors); (3) Communication Services Providers (such as chat agents and customer service vendors); (4) Security Vendors (including fraud detection vendors; identification and background check vendors); (5) Government Agencies and Law Enforcement/Where Required By Law (including third parties in connection with a court or other legal proceedings); (6) third parties in the course of a business transition; (7) third parties to whom you agree or direct us to share your data; (8) other service providers who solely use your data to provide services to us or to you.</p> <p>C. Categories of Third Parties to Whom the Data is Sold/Shared for Targeted Advertising:</p> <p>This category of data is not sold or shared for targeted advertising.</p>
<p>Device ID/Interaction Information</p> <p>This may include details about the device you use to access the Sites, such as IP address, traffic on pages, usage, trends, and navigation patterns on the Sites.</p>	<p>A. Purposes for Collection:</p> <p>(1) Provide you the Sites and Services (to process transactions that you have authorized us to make; to facilitate your activities with respect to our Services and to allow you to participate in the features of the Services we offer; to verify and authenticate your identity and residency; to help you locate a kiosk; to provide customer service; to optimize your experience on the Sites); (2) Advertising Activities and Marketing Messages (to send you offers, promotions, invitations, from us, our advertisers, or other third parties, including special offers and messages about services you have shown interest in, online or offline; to send you news, bulletins, marketing materials, and similar information; to monitor and control ad delivery, performance, and frequency; to create advertising models through lookalike modelling or other research methodologies); (3) Personalization (to customize and optimize the Services for you, including to personalize your experience and tailor content we display to you, such as advertising, recommendations, promotions, messages and offers we display to you, both</p>

on the Services and elsewhere online; to identify your preferences); **(4) Administrative** (to recognize you across our Services and your devices); **(5) Internal Business Purposes** (to help us operate and improve the Services; to track and analyze the effectiveness of our marketing efforts, including to traffic, usage, trends, and navigation patterns relating to your activities; detect and troubleshoot problems; conduct user surveys, questionnaires, and market research; conduct sales auditing; **(6) Legal** (to comply with the law; to resolve disputes; enforce our agreements and policies, including this Privacy Policy and our Terms of Service; comply with contractual obligations; cooperate with government or other legal inquiries, including investigation on public safety matters and to respond to subpoenas, court orders, or legal process; fulfill regulatory reporting obligations; to establish or exercise our legal rights or defend against legal claims and otherwise protect our or others' rights/assets; to ascertain and verify your residency status in connection with regulatory obligations); **(7) Security** (to protect the integrity of the Services; to prevent, detect, mitigate, investigate, and protect against misuse of our systems, fraud, crime, security breaches, and potentially prohibited or illegal activities, including, for example, activities prohibited by the Anti-Money Laundering Act, and to protect ourselves and you from people violating our policies, or otherwise to protect our or third-party rights or interests, which may include sharing information with other companies, lawyers, courts, or other government entities; to conduct identification and background checks; to protect health and safety of our users or the general public); **(8) Business Transitions** (in connection with a merger, acquisition, consolidation, bankruptcy, or other corporate transition, affecting all or part of our assets, including during due diligence); **(9) Other Purposes as Disclosed** at the time of collection or with your consent.

B. Categories of Third Parties the Data Is Disclosed to:

(1) Third Party Advertising and Analytics Partners (such as analytics companies, third party advertising companies, and marketing partners); **(2) Technology Systems Service Providers** (such as webhosts, database hosts, cloud computing providers, software-as-a-service providers, and technology maintenance and repair vendors); **(3) Social Media and Similar Third Party Platforms;** **(4) Order Fulfillment Vendors** (such as payment processors, kiosk support vendors, trading platforms, transfer agents, exchanges, trading platforms, financial institutions); **(5) Government Agencies and Law Enforcement/Where Required By Law** (including third parties in connection with a court or other legal proceedings); **(6) Parent and Affiliated Companies;** **(7) Sweepstakes/Contest Partners** (such as administrators, other prize providers, and prize fulfillment vendors); **(8) Communication Services Providers** (such as email delivery vendors, chat agents, and customer service vendors); **(9) Security Vendors** (including fraud detection

	<p>vendors; identification and background check vendors); (10) third parties in connection with a business transition; (11) third parties to whom you agree or direct us to share your data; (12) other service providers who solely use your data to provide services to us or to you.</p>
	<p>C. Categories of Third Parties to Whom the Data is Sold/Shared for Targeted Advertising:</p> <p>(1) Third Party Advertising and Analytics Partners (such as advertising and analytics companies, marketing partners or unaffiliated third parties who are joint marketing and licensing partners or whose products or services are integrated in our Services); (2) Social Media Platforms</p>

<p>Precise/Specific Location Data</p> <p>This may include your longitude/latitude coordinates from a global positioning system (GPS).</p>	<p>A. Purposes for Collection:</p> <p>(1) Provide you the Services (to facilitate your activities with respect to our Services and to allow you to participate in the features of the Services we offer, including to locate a kiosk near you); (2) Internal Business Purposes (to help us operate and improve the Services; to track and analyze the effectiveness of our marketing efforts, including to traffic, usage, trends, and navigation patterns relating to your activities; detect and troubleshoot problems); (3) Marketing Messages (to send you offers, promotions, invitations, from us or other third parties, online or offline; to send you news, bulletins, marketing materials, and similar information; to tailor offers and recommendations we display to you based on your location); (4) Personalization (to tailor content, recommendations, and offers based on your location); (5) Legal (to comply with the law; to resolve disputes; enforce our agreements and policies, including this Privacy Policy and our Terms of Service; comply with contractual obligations; cooperate with government or other legal inquiries, including investigation on public safety matters and to respond to subpoenas, court orders, or legal process; fulfill regulatory reporting obligations; to establish or exercise our legal rights or defend against legal claims and otherwise protect our or others' rights/assets; to ascertain and verify your residency status in connection with regulatory obligations); (6) Security (to protect the integrity of the Services; to prevent, detect, mitigate, investigate, and protect against misuse of our systems, fraud, crime, security breaches, and potentially prohibited or illegal activities, including, for example, activities prohibited by the Anti-Money Laundering Act, and to protect ourselves and you from people violating our policies, or otherwise to protect our or third-party rights or interests, which may include sharing information with other companies, lawyers, courts, or other government entities; to conduct identification and background checks; to protect health and safety of our users or the general public); (7) Business Transitions (in connection with a</p>
